“In the shadow of your wings, I will take refuge, until the
destroying storms pass by.” -Psalm 57:1

Stories become windows through which we look at the experiences that have shaped our lives and the lives of others. Sharing our stories is a form of prayer - connecting with our deeper selves and the Holy. The essence of the spiritual life is shared story.

This day seeks to offer a safe place to share our story, to wade through the grief and trauma and realize we do not travel alone. Our experienced darkness bears the Spirit of the Divine, who transcends the darkness and has the power to work a resurrection.
